

TECHNICAL INFO

Fine-Tef Oil

Art.: 03.1099.9999 Aerosol can 500 ml

Fine-Tef Oil is a thin lubricating oil based on high-grade PTFE. It penetrates quickly and deeply into the pores of the surface and forms a durable, almost dry lubricating layer that does not attract dirt or dust. Due to the wide temperature range, it is applicable in almost any light-running lubrication application. Also suited for use in production environments of the food processing industry.

Base:	Mixture of synthetic and mineral oils, PTFE and additives
Density:	686 kg/m³
Consistency:	Thin liquid (ready-to-use in aerosol)
Flash point:	< 0°C
Temperature resistance:	-50°C to +200°C (peak load up to 250°C)
Water resistance:	Very good
Saltwater resistance:	Good
Acid resistance:	Good
Corrosion resistance:	Excellent (contains anticorrosive additives)
Tests:	Registered by NSF (class H1), register number: 158390
Application conditions:	+10°C to +40°C
Type of surface:	Almost all kinds of surfaces
Surface preparation:	The surface must be clean, dry, free of grease and non-corroded. Clean surfaces with Innotec Unisol or Easy Clean.
Application method:	Shake well before use. Spray directly onto the parts to be lubricated (spraying distance 15-25 cm) and leave a short time to evaporate before loading.
Cleaning of materials used:	With Innotec Multisol or Innotec Power Clean
Cleaning of hands:	With Innotec Power Scrubs or with Innotec Safe Hand Clean Plus and water
Shelf life:	1 year in original, unopened packaging
Storage conditions:	Store cool and dry
Type of batchcode:	F
EAN Code:	5400563035856

This technical info sheet replaces all previous versions.

All information is supplied without obligation and based on our knowledge and experience with the product under normal conditions. In practice, the information supplied can in no way replace the tests that need to be performed before first use of the product. only prior testing of the product can prove whether the product is indeed suitable for the intended application (or not). Thus, we cannot accept any responsibility in case our products are not used in compliance with the advices given.

If the product should not meet the quality requirements, we will only reimburse up to a maximum of the purchase price of the product. We accept no responsibility whatsoever and shall under no circumstances be liable for damage or consequential loss arising from the use of the product.

For information concerning safe use and storage, please refer to the safety data sheet of the product concerned.
