

PRODUCT INFO

Graffiti Remover 500 ml

Art.: 04.0200.9999 500 ml

Graffiti Remover removes graffiti thoroughly from most surfaces, without causing damage. As a result, it is a multi-use product for shop-fronts, shop-windows, trains, entrance doors, street furniture, traffic signs, walls. etc.

Graffiti Remover and Graffiti Sup Clean are a unique set of products specially developed for the fast and effective removal of graffiti.

Graffiti Sup Clean has been specially developed to neutralize Innotec Graffiti Remover. On application, a chemical reaction takes place, which converts the dirt into a bacterially degradable liquid.

Graffiti Remover and Graffiti Sup Clean are ready for use and do not need dilution. Due to their packaging in a 500 ml spray bottle Graffiti Remover and Graffiti Sup Clean are very user-friendly and can be applied immediately.

- Unique set of product used to remove graffiti.
- Can be used on many surfaces.
- Easy to use.
- Cleans safely and thoroughly.
- Suitable for most graffiti.
- Biodegradable when used in combination with Graffiti Sup Clean.
