

## TECHNICAL INFO

# Innoplust Cleaner 500 ml

Art.: 04.1155.6135

500 ml

Innoplust Cleaner is a specially developed liquid cleaner for almost any type of plastic. Because of its unique composition, this product removes tenacious contamination, such as remaining polishing agent, cleaning deep down to the pores. Moreover, Innoplust Cleaner eliminates very efficiently and safely nicotine, grease and dirt from plastics in both inside and outside applications. After cleaning, the treated surface will regain its original appearance again.

Base:	Aliphatic hydrocarbons
Density:	1.090 kg/m <sup>3</sup> (at 20°C)
Viscosity:	1 mPa.s (at 20°C)
Application conditions:	+5°C to +30°C
Type of surface:	Suitable for almost all plastic surfaces. Do not let the product dry.
Application method:	Spray Innoplust Cleaner onto the surface to be cleaned, rub in with a brush / cloth if necessary. In case of deep contamination, allow to work in for 1-2 minutes. Rinse with plenty of water. Do not use in direct sunlight / on warm surfaces! Do not allow to work in on artificial glass, high-gloss paints or delicate surfaces! After cleaning, protect plastic surfaces with <a href="#">Innoplust Protector</a> . Test on a non-visible area.
Cleaning of hands:	With Innotec <a href="#">Power Scrubs</a> or with Innotec <a href="#">Safe Hand Clean Plus</a> and water
Shelf life:	2 years in original, unopened packaging
Storage conditions:	Store cool and dry
Type of batchcode:	F
EAN Code:	5400563021163

This technical info sheet replaces all previous versions.

All information is supplied without obligation and based on our knowledge and experience with the product under normal conditions. In practice, the information supplied can in no way replace the tests that need to be performed before first use of the product. Only prior testing of the product can prove whether the product is indeed suitable for the intended application (or not). Thus, we cannot accept any responsibility in case our products are not used in compliance with the advices given.

If the product should not meet the quality requirements, we will only reimburse up to a maximum of the purchase price of the product. We accept no responsibility whatsoever and shall under no circumstances be liable for damage or consequential loss arising from the use of the product.

For information concerning safe use and storage, please refer to the safety data sheet of the product concerned.
