Safe Hand Clean Plus (NEW) 3 l

Art.: 04.4077.9999

3 l

Safe Hand Clean Plus is a unique, multifunctional hand cleaner with natural scrub particles that safely removes different kinds of dirt from hands and subsequently ensures a pleasant feeling on the skin.

Safe Hand Clean Plus contains an ester-based solvent and an oil-based skin conditioner, which makes the product feel pleasant on the skin after use.

Safe Hand Clean Plus can be applied on either dry or wet hands and is economical in use. The product can be applied in different situations. The product can simply be rinsed with warm water. After drying, a nice and pleasant feeling remains.

Thanks to the handy packaging in 250 ml tubes provided with anti-drip cap and hook, Safe Hand Clean Plus is very user-friendly and easy to apply, inside as well as outside the workshop. Moreover the product is also available in an economical 3 litre jar.

To protect hands from the worst pollutants, use Innotec [Hand Protector](#).

- Multifunctional hand cleaner.
- pH skin neutral.
- With a natural, oil-based skin conditioner, thus suitable for daily use.
- Pleasant smell.
- Economical in use.
