

Turbo Clean 1

Art.: 04.2119.9999
Aerosol can 300 ml

Turbo Clean 1 is part of the Innotec [Turbo Clean Set](#) and is a powerful cleaner for diesel engine turbochargers with variable geometry. The product will quickly and efficiently dissolve stubborn carbon deposits on the variable geometry. Without needing to disassemble the turbo charger, it will regain its optimum function after cleaning, as the variable geometry will be able to move freely again. Turbo Clean 1 does not affect the working of catalysts.

Base:	Viscous cleaner based on organic and anticorrosive solvents
Density:	808 kg/m ³
Consistency:	Slightly foaming gel
Solvents:	Mixture of alcohol and esters
Flash point:	< 0°C
Application conditions:	+5°C to +30°C
Type of surface:	Metal surfaces, turbos. <u>Attention:</u> Turbo Clean 1 may attack painted or lacquered surfaces!
Application method:	Shake can well before use. Put the nozzle of the Turbo Clean tube on Turbo Clean 1, spray the full content of Turbo Clean 1 into the turbo and let the product settle on the dirt. For detailed information: see instruction card included in the packaging.
