

# Nutriflon Oil 5 l

Art.: 03.1101.9999

5 l

Nutriflon Oil is a medicinal semi-synthetic oil that is NSF registered in the H1 category thanks to its unique formula. Suitable for use in food industry machinery and equipment.

Base:	Pharmaceutical, semi-synthetic oil
Density:	954 kg/m <sup>3</sup>
Consistency:	Thick fluid
Viscosity:	46 (according to ASTM D-1500 and ISO 3448)
Viscosity index:	> 130 (according to ASTM D-97)
Flash point:	> 188°C
Aniline point:	< 100°C (according to ASTM D-611)
Temperature resistance:	< 120°C
Freezing point:	-25°C
Corrosion resistance:	Good, 1a (according to D-130)
Tests:	Registered by NSF (class H1), register number: 138323
Application method:	Apply directly from the packaging, depending on the application. Prior to use, check whether the oil meets the specifications for the intended application.
Cleaning of materials used:	With Innotec <a href="#">Multisol</a> or Innotec <a href="#">Power Clean</a>
Cleaning of hands:	With Innotec <a href="#">Power Scrubs</a> or with Innotec <a href="#">Safe Hand Clean Plus</a> and water
Shelf life:	1 year in original, unopened packaging
Storage conditions:	Store cool and dry
Type of batchcode:	F
Other details:	Not suited for use in screw compressors
EAN Code:	5400563016329

This technical info sheet replaces all previous versions.

All information is supplied without obligation and based on our knowledge and experience with the product under normal conditions. In practice, the information supplied can in no way replace the tests that need to be performed before first use of the product. only prior testing of the product

can prove whether the product is indeed suitable for the intended application (or not). Thus, we cannot accept any responsibility in case our products are not used in compliance with the advices given.

If the product should not meet the quality requirements, we will only reimburse up to a maximum of the purchase price of the product. We accept no responsibility whatsoever and shall under no circumstances be liable for damage or consequential loss arising from the use of the product.

For information concerning safe use and storage, please refer to the safety data sheet of the product concerned.
