

Xpress Wash 5 l

Art.: 04.1121.9999

Bottle 5 l

Xpress Wash is a paint cleaner for high-gloss surfaces. Xpress Wash cleans, protects and is also the ideal lubricant for the [Xpress Clay Towel](#) and [Xpress Clay Glove](#).

Base:	Water base with a concentrate of protective wax
Density:	1005 kg/m ³ (at 20°C)
Consistency:	Thick fluid
Viscosity:	100 mPa.s (at 20°C)
Solvents:	No solvents
Odour:	Typical, characteristic smell
pH:	9,3
Application conditions:	+5°C to +30°C. Not in sunlight.
Type of surface:	All types of car paint
Application method:	Rinse the surface with clean water to remove the biggest dirt. Shake Xpress Wash well before use. Add a dose to clean, preferably warm water (dosage depending on the contamination). Wash the surface from top to bottom using a soft sponge (Xpress Sponge). Rinse with clean water and rub dry with a shammy (Aquatec 500). Do not allow the product to dry and do not use it in direct sunlight or on hot surfaces.
Cleaning of hands:	With Innotec Power Scrubs or with Innotec Safe Hand Clean Plus and water
Shelf life:	18 months in original, unopened packaging
Storage conditions:	Store cool and dry
Type of batchcode:	F
EAN Code:	5400563036488

This technical info sheet replaces all previous versions.

All information is supplied without obligation and based on our knowledge and experience with the product under normal conditions. In practice, the information supplied can in no way replace the tests that need to be performed before first use of the product. Only prior testing of the product can prove whether the product is indeed suitable for the intended application (or not). Thus, we cannot accept any responsibility in case our products are not used in compliance with the advices given.

If the product should not meet the quality requirements, we will only reimburse up to a maximum of the purchase price of the product. We accept no

responsibility whatsoever and shall under no circumstances be liable for damage or consequential loss arising from the use of the product.

For information concerning safe use and storage, please refer to the safety data sheet of the product concerned.
