

Xpress Wax

Art.: 04.3170.9999

2 chamber pressure can 200 ml

Xpress Wax is a unique sprayable speed wax for cars, motorcycles, caravans, boats and all other high-gloss surfaces.

Base:	Amino functional siloxane
Density:	0,99 kg/m ³
Solvents:	Water
Flash point:	Not combustible
UV resistance:	Good
Water resistance:	If carried out correctly, this treatment will prevent the adhesion of dirt for some time (the so-called lotus effect)
Odour:	Pleasant characteristic odour
pH:	±7
Application conditions:	+5°C to +40°C
Type of surface:	Almost any type of smooth surface such as paint, chrome, glass, mirrors, high-gloss furniture/kitchens, etc.
Surface preparation:	Pre-clean strongly soiled surfaces with plenty of water in combination with Innotec Xpress Wash .
Application method:	Spray, in a smooth motion, a thin layer of Xpress Wax on the surface to be treated. Wipe with the Xpress Towel . The product will not leave a white haze. Note: The best result is obtained on substrates that are still in good condition.
Shelf life:	18 months in original, unopened packaging
Storage conditions:	Store cool, dry and frostfree
Type of batchcode:	F
Other details:	Pressure pack based on PET plastic. Works on the basis of air pressure instead of regular propellant gases. Unbreakable and insensitive to dents in case of normal use. Can be used at any angle (360°) and can be emptied completely (100%).
EAN Code:	5400563036457

This technical info sheet replaces all previous versions.

All information is supplied without obligation and based on our knowledge and experience with the product under normal conditions. In practice, the information supplied can in no way replace the tests that need to be performed before first use of the product. Only prior testing of the product can prove whether the product is indeed suitable for the intended application (or not). Thus, we cannot accept any responsibility in case our products are not used in compliance with the advices given.

If the product should not meet the quality requirements, we will only reimburse up to a maximum of the purchase price of the product. We accept no responsibility whatsoever and shall under no circumstances be liable for damage or consequential loss arising from the use of the product.

For information concerning safe use and storage, please refer to the safety data sheet of the product concerned.
