

Hygienic Surface Spray

Art.: 04.4085.9999

Aerosol can 500 ml

Hygienic Surface Spray is a transparent alcohol based (70%) spray for disinfecting almost any surface. This spray provides an extremely hygienic and fresh environment by fighting bacteria and viruses.

Base:	Denatured alcohol
Density:	760 kg/m ³
Consistency:	Thin liquid (ready-to-use in aerosol)
Viscosity:	7 mPa.s (20°C)
Solvents:	Organic solvents
Flash point:	< 0°C
Evaporation residue:	None, the product will evaporate completely.
Application conditions:	-5°C to +30°C
Type of surface:	Almost any surface, such as furniture, handles, door handles, car interiors, textiles, machines, conveyor belts, PMMA screens and all kinds of tools
Application method:	Hold the can upright. Spray evenly on the surface from approx. 20 cm. If desired, wipe with a dry cloth (preferably Innotec Clean & Shine Towel) or paper. Before use, test on a non-visible area.
Cleaning of hands:	If desired, with Innotec Power Scrubs or with Innotec Safe Hand Clean Plus and water
Shelf life:	1 year in original, unopened packaging
Storage conditions:	Store cool and dry
Type of batchcode:	F
Remarks:	Do not use on electronic devices and touchscreens
EAN Code:	5400563036990

This technical info sheet replaces all previous versions.

All information is supplied without obligation and based on our knowledge and experience with the product under normal conditions. In practice, the information supplied can in no way replace the tests that need to be performed before first use of the product. Only prior testing of the product can prove whether the product is indeed suitable for the intended application (or not). Thus, we cannot accept any responsibility in case our products are not used in compliance with the advices given.

If the product should not meet the quality requirements, we will only reimburse up to a maximum of the purchase price of the product. We accept no responsibility whatsoever and shall under no circumstances be liable for damage or consequential loss arising from the use of the product.

For information concerning safe use and storage, please refer to the safety data sheet of the product concerned.
