

Paint Stripper Spray

Art.: 04.2200.9999

Aerosol can 500 ml

Paint Stripper Spray is a paint stripper for the easy removal of carbon residues, gasket maker, glue and various types of lacquer.

Base: Alcohol, hydrocarbon, other solvents with significant dissolving power, thickeners and anti-corrosion agents

Density: 808 kg/m³

Consistency: Gelling/foaming agent (ready-to-use in aerosol)

Viscosity: 60 mPa.s

Solvents: Mixture of alcohol and esters

Flash point: < 0°C

Application conditions: +5°C to +30°C

Type of surface: A variety of materials such as metal, wood, stone, concrete, etc. Not suited for glass or plastic surfaces.

Surface preparation: The surface must be free from heavy dirt.

Application method: Shake can well before use. Test first on non visible area if necessary. Cover liberally and evenly over the surface you want to treat. Allow 20 minutes to take effect and rinse with a jet of water. Remove any residue with a brush or spatula. If there are several layers, allow more time to take effect or repeat the treatment.

Cleaning of materials used: With Innotec [Multisol](#) or water

Cleaning of hands: With Innotec [Power Scrubs](#) or with Innotec [Safe Hand Clean Plus](#) and water

Shelf life: 2 years in original, unopened packaging

Storage conditions: Store cool and dry

Type of batchcode: F

EAN Code: 5400563023556

This technical info sheet replaces all previous versions.

All information is supplied without obligation and based on our knowledge and experience with the product under normal conditions. In practice, the information supplied can in no way replace the tests that need to be performed before first use of the product. Only prior testing of the product can prove whether the product is indeed suitable for the intended application (or not). Thus, we cannot accept

any responsibility in case our products are not used in compliance with the advices given.

If the product should not meet the quality requirements, we will only reimburse up to a maximum of the purchase price of the product. We accept no responsibility whatsoever and shall under no circumstances be liable for damage or consequential loss arising from the use of the product.

For information concerning safe use and storage, please refer to the safety data sheet of the product concerned.
