

TECHNICAL INFO

Xpress Tyre Gloss

Art.: 04.0125.9999 Aerosol can 500 ml

Xpress Tyre Gloss is an easy-to-apply tyre dressing that leaves a discreet, even satin finish.

Base:	Mixture of oils, surfactants and water
Density:	870 kg/m³
Consistency:	Solid emulsion
Solvents:	Organic solvents
Flash point:	< 0°C
Odour:	Non disturbing smell
Foam stability:	Foam that breaks down quickly
Application conditions:	+10°C to +35°C
Type of surface:	All types of rubber
Surface preparation:	For an optimal result, the tyres must be clean and dry. It is also advisable to clean the rim before treatment (using Wheel Clean Pro).
Application method:	Shake can well before use. Spraying distance 10 to 20 cm. Spray evenly on the surface in thin layers. If necessary, rub with a clean, dry, non-fluffing cloth (e.g. Clean and Shine Towel). Repeat the treatment for heavily weathered tyres.
Cleaning of hands:	With Innotec Power Scrubs or with Innotec Safe Hand Clean Plus and water
Shelf life:	1 year in original, unopened packaging
Storage conditions:	Store cool and dry
Type of batchcode:	F
Other details:	Do not use this product in direct sunlight or on hot surfaces. Avoid contact with the treads of the tyre and do not spray on the brake system.
EAN Code:	5400563036761

This technical info sheet replaces all previous versions.

All information is supplied without obligation and based on our knowledge and experience with the product under normal conditions. In practice, the information supplied can in no way replace the tests that need to be performed before first use of the product. only prior testing of the product can prove whether the product is indeed suitable for the intended application (or not). Thus, we cannot accept any responsibility in case our

products are not used in compliance with the advices given.

If the product should not meet the quality requirements, we will only reimburse up to a maximum of the purchase price of the product. We accept no responsibility whatsoever and shall under no circumstances be liable for damage or consequential loss arising from the use of the product.

For information concerning safe use and storage, please refer to the safety data sheet of the product concerned.
